Associate Principal's Column

Wearing our Uniform makes us Proud!

School uniforms give our students a sense of belonging and also set us apart from other schools. Wearing our Caningeraba State School uniform makes a statement that says, "I'm a thumbs up, respectful and proud Caningeraba kid." Just a reminder that **Caningeraba kids wear short white socks** to school and save their black socks for weekends and holidays. They also keep their canvas and skate shoes for occasions other than school too! Please help us to ensure that everyone knows how proud we are of our school.

Preparing our Children for Prep

Starting school can be an exciting but sometimes stressful time for both parents and children. Although many children attend kindy, pre-school or day care before commencing school, there may be some anxiety about attending 'big school'. Our goal for Prepstars at Caningeraba is to ensure a seamless transition between kindy/pre-school or home and school. Over the past few years we have developed strong partnerships between our surrounding day care centres and kindergartens. Teachers from these local centres have visited our Prep classrooms and met with our Prep teachers to see what 'Prep' looks like and discuss our curriculum with teachers. This year students at these centres have had the opportunity to visit our school with their kindy friends. Our Prep teachers have also made reciprocal visits to these centres to liaise with staff and provide important information regarding school readiness. Our Prep Experience Day is also a wonderful opportunity for our new Prepstars to visit our school, meet all of our Prep teachers and participate in a variety of enjoyable and stress free activities. We look forward to seeing your Prepstars soon!

Prep Information Sessions and Enrolments for 2017

Just a reminder, our Prep Information Session (for parents of children who will be turning 5 on or before the 30 June 2017) will be held at 9am or 6pm in the School Hall on Wednesday 2 November. This will be followed by a Prep Experience Day on Thursday 10 November for our new 2017 Prepstars to come along and participate in some 'prep friendly' activities.

Share, Talk and Read Sessions – Frascott Park

Caningeraba State School is excited to partner with City Libraries to promote and support 'Share, Talk and Read' sessions for children (0-5 years) and their grown-ups. These sessions will be held at Frascott Park, Varsity Lakes on Thursdays 27 October – 8 December between 9.30am and 11am. City Libraries will provide shade, floor mats, bean bags, books, resources and friendly staff. These are informal sessions and will provide tips about language and learning to read, the opportunity to meet other parents and carers and it's free! No need to book, just come along! Fire Safety Visits for Year 1

This week Queensland Fire and Rescue Service provided a free of charge presentation to our Year 1 students. The aim of the program is to assist students to develop an understanding of the dangers of fire and the appropriate response should they be in a situation where a fire is involved. Students were taught these terms:

Stop, drop and roll – if your clothes are on fire
Get down low and go, go, go – if there is a room filled with smoke

Get out and stay out – if your house is on fire
Don't hide, scream and shout – if you are in a fire

We would like to thank the Queensland Fire and Rescue Service for providing such important information session for our students.

Bravehearts “Ditto” Production for 2016 – Wednesday 7 December

Bravehearts vision is to make Australia the safest place in the World to raise a child by 2020. Bravehearts live school based program is designed for Prep to Year 3 students and aims to empower them with the tools to keep safe and educate them, with a focus on resiliency, while building confidence and awareness. It also teaches children what to do if they feel unsafe and unsure. The show is a non-confronting and engaging way to teach children personal safety and encourages children to speak out about any unsafe situation.

Children learn Ditto's 3 rules:

- We all have the right to feel safe with people
- It's okay to say “No” if you feel unsafe or unsure
- Nothing is so ‘yucky’ that you can't tell someone about it.

You can find out more information about Bravehearts at:

***Have a great week,

Chappy News

Welcome back everyone to Term 4

Thank you to the Knit/Crochet & Chat group from the Varsity Lakes Community Resource Centre for their very kind donation of beautifully knitted blankets and jumpers. What a blessing. If you know of someone who could benefit from one of these wonderful items, please let me know. The ladies happily devote their time and skills to knitting these gifts for those who could benefit from them. They ask for no payment but are always grateful for donations of wool. If you have any wool you would like to donate, or would like to join their group, they meet every Thursday from 10:00am - 12:00pm at The Varsity Lakes Community Resource Centre, Jim Harris Park, Mattocks Road, Varsity Lakes ph: 5593 7006

I am grateful to be a part of such a caring community that loves to help others! Our regular Wednesday morning breakfast club offers breakfast from 8am for those may miss out at home. Thank you to all the caring helpers (students and parents) who help to make this happen. Thank you as well to the very generous families and our own uniform shop who regularly send in donations of clothes, shoes, school bags and other home items. There are opportunities for children to earn 'Chappy Dollars' to 'buy' from the Chappy Shop in my office and as always, if you know of anyone who may benefit from these, please send them in.

Have a wonderful week, Chappy Leisa
