## Attention Caningeraba Chess Enthusiasts

We are pleased to announce that Caningeraba is offering students the chance to sign up for ChessKid.com. This online program is designed to challenge children's chess ability in a new, fun and interactive way. This is a great opportunity for beginners to learn the basics and develop their skills and also for our more advanced players to learn and improve their chess skills at home.

The premise behind ChessKid is a combination of unlimited games, puzzles, lessons, videos and articles for students to watch that will improve their ability to play chess. The **cost per student (licence) is \$11.00** which will be valid through until Feb 13, 2018.

If you would like your child to be signed up for the online program you will need to pay the \$11 to the school payment window by May 8th. Personalised login details will then be arranged for your child and be passed on to them

Please see the attached flyer for more information or email Mrs Christy at [rpick33@eq.edu.au](mailto:rpick33@eq.edu.au)
